Finding Friends

Learn

Read the title and subject first. Scan for names, numbers and places. A profile gives personal details; never share private details with unknown people online.

Worked example

> Subject: Hello! I am Lila, aged 11. I live in Jaffna. I enjoy drawing and cycling. I want to be a teacher. My favourite food is string hoppers.

ඉහත උදාහරණය අධ්‍යයනය කර පහත අභ්‍යාස කරන්න.

Practise

1. Who wrote the message?

2. How old is she?

3. True or false: She lives in Kandy.

4. Write her two hobbies.

5. Complete her profile: town; favourite food; ambition.

Progress check: ☐ I can do it myself. ☐ I can do it with help. ☐ I need more practice.

LESSON 02 · NIE REFERENCE PP. 54–57

Getting Information

Learn

A notice tells people about an event. Look for what, when, where, who and organiser. Use on with dates, at with clock times and in for rooms.

Magical Reading Week

Learn

A schedule shows activities and times. Read across a row and match the activity to the correct day. What asks for a thing, when for time, who for a person and how many for a number.

Tuesday 10.00–11.00: Poems
